

The L&T Group secured multiple recognition from the prestigious Federation of Indian Chambers of Commerce & Industry (FICCI). The Platinum Awards for Excellence in Quality Systems were won by L&T Heavy Engineering - Powai Campus - Mumbai and by L&T Komatsu (LTK) Bangalore Works. Both these awards are in the large scale manufacturing category.

The awards were presented at the conference on 'Sustainable Manufacturing Growth through Quality System' organized by FICCI on January 19, 2012 in New Delhi.

Mr. K.R. Palta, EVP (Corporate Affairs) and Mr.A.D.Paranjpe, GM (QA, QC and NDE - Heavy Engineering, Powai Campus), accepted the award on behalf of L&T Heavy Engineering from Mr. Arun Maira, Member, Planning Commission and Chairman, QCI. Mr. S. Gopal, Chief Executive, L&T-Komatsu, received the award on behalf of L&T Komatsu.

FICCI instituted the awards for excellence in quality systems to motivate companies to improve their quality systems and thereby successfully face global competition.
