Punjab CM Lays Foundation Stone for L&T's Mega Power Plant in Punjab

On March 2, a new dimension was added to L&T's growing role in the power sector when the Punjab Chief Minister, Mr. Prakash Singh Badal, laid the foundation stone for L&T's 1400 MW thermal power plant in Rajpura, near Patiala. L&T's Chairman & Managing Director, Mr. A.M. Naik, stood alongside the Chief Minister as the six-foot tall black granite slab was unveiled. Widely11ybblicisd ti the Plocl di, nhe

glowing terms of L&T, enumerating some of the Company's major achievements. Silver salvers etched with the words 'Power to the People' were presented on L&T's behalf to the state leaders. Seated on the high dais along with officials of Punjab were Mr. A.K. Chhatwani, Sr. Executive Vice President and Mr. R.K. Sharma, Vice President. Mr. Chhatwani is the Chairman of Nabha Power Limited – the L&T subsidiary which will own and operate the power plant.

The entire event which involved extensive interaction with officials from the PSEB and the state bureaucracy was orchestrated by a cross-functional team in Chandigarh
