Boeing Signs MoU with L&T

Bangalore, February 08, 2007: The Boeing Company today signed a Memorandum of Understanding (MoU) with Larsen & Toubro Limited (L&T), India

in the defense sector. The signing ceremony took place at the Aero India Aerospace Show in the city.

This MoU is a new dimension to our engagements in

the defense sector for more than four decades, we have worked closely with the defense establishment in developing and putting into production a range of advanced systems. This new

agreement will benefit both our companies. We are very pleased to announce this agreement with L&T, which we are proud to have as a Vice President of International Business Development, Boeing Integrated Defense Systems, Bangalore. This is a long-

term partnership. While offering defense products, we will transform product sales into a springboard for private and public industrial partnerships.

Backgrounder:

L&T is a technology-driven engineering, manufacturing and construction company with global operations. It is a company characterized by strong customer orientation, professionalism, transparency and the demonstrated ability to meet global benchmarks. L&T has strong international linkages through technology partnerships and ongoing relationships with global suppliers, consultants and customers.
