L&T wins INR 415 Cr order from Hindalco and Sepco-I for thermal power plant construction

amounting to INR 415 crores from Hindalco and Sepco-I. The Hindalco order worth INR 253 crores is for carrying out structural steel works for the 150 MW captive power plant in Jharsuguda. The Sepco-I order valued at INR 162 crores is for the erection of boilers for their 200 MW Talwandi Sabo Power plant, developed by Sterlite Energy Limited in Punjab. Sepco-I had already awarded INR 225 crores to L&T during the first quarter of this year for carrying out civil works for this project.

L&T's association enjoys a leadership position in the power sector. A strong customer-focused approach and constant quest for top class quality has enabled L&T to attain and sustain leadership position in its major lines of business for over seven decades.

most respected companies in the power sector. A strong customer-focused approach and constant quest for top class quality has enabled L&T to attain and sustain leadership position in its major lines of business for over seven decades.
