

## L&T Construction awarded (\*Significant) Contracts for its Metallurgical and Material Handling Business

Mumbai, September 17, 2020: Metallurgical and Material Handling Business of L&T Construction has secured an order from Northern Coalfields Limited, a subsidiary of Coal India Limited (CIL), for a coal processing and load out package to be installed at the Dudhichua Mines located in Uttar Pradesh. CIL envisions production to touch 1 Billion Tonne (Bt) by 2023-24 to meet the country's demand for coal.

The scope of work involves EPC for a double stream coal sizing & transportation system covering semi mobile sizing system, high capacity specialty conveyors, and an automated loading system.

The business has also secured new and add-on orders from its existing customers.

The business continues to build customer confidence and maintain leadership position in the space they operate.

### Background:

Larsen & Toubro is an Indian multinational engaged in engineering, procurement and construction projects, manufacturing, defence and services with over USD 21 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

	Significant	Large	Major	Mega
	1,000 to 2,500	2,500 to 5,000	5,000 to 7,000	>7,000
