

L&T Seawoods Residences - North Towers, Elicits Strong Response from Homebuyers

Mumbai, December 03, 2020: The real estate business of Larsen & Toubro has launched North Towers at its unique residential project - SeawoodsResidencesin Navi Mumbai. The project has drawn strong interest from homebuyers with over 300 expression of interest received within the first two weeks. This shows that the popularity and momentum of last year continues when 500 apartments of this project were sold out in a record time.

L&T Seawoods Residences is pa478 s4al7809DTc 0 Tw 4.554 0 Td ()Tj -0.004

The landscape design of SeawoodsResidencesensures optimal utilization of open spaces and greenery. A global architectural and consulting firm, WoodsBagot, HongKong drew up the architectural concept of the project, while the landscape has been designed by international landscape architects - WAHO.

The popularity of L&T SeawoodsResidencesproves that notwithstanding the tough business environment, brands that have the right product mix, are committed to delivery timelines, backed by a brand name that invokes customer's goodwill will always be a market leader.

Background:

Larsen & Toubro is an Indian multinational engaged in engineering, procurement and construction projects, manufacturing, defence and services with over USD21 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.
