

L&T Construction Wins (Large*) Contracts for its Power Transmission & Distribution Business in Bangladesh

Mumbai, January 20, 2021: The Power Transmission & Distribution Business of Larsen & Toubro has won a slew of Transmission Line orders in Bangladesh. The scope of these packages involves Design, Supply, Installation, Testing and Commissioning of Extra High Voltage Transmission Lines on turnkey basis.

A fast-growing economy in the region, Bangladesh has embarked on a programme to alleviate infrastructure deficiencies and upgrade its power system to sustain the growth. To cater to the power demand in emerging load centers and the Greater Dhaka region, several
