

L&T Hydrocarbon Engineering Wins (Significant*) Orders

Mumbai, September 21, 2021: L&T Hydrocarbon Engineering Limited (LTHE), a wholly owned subsidiary of Larsen & Toubro, has bagged two orders in the Construction Services segment – one each from GAIL India and Air Products Middle East Industrial Gases LLC

The first order is for GAIL India's Mumbai – Nagpur Pipeline under which the company will be responsible for laying steel gas pipeline (24' x 224 KM) – Section 1 of Part A and construction of terminals along with associated facilities. The pipeline project, due to be laid alongside the upcoming Mumbai – Nagpur super communication expressway, has a schedule of 14 months.

LTHE's second order comes from Air Products Middle East Industrial Gases LLC for its Industrial Gas Hub.

The overall duration of the project is 22 months.

Both the contracts were secured by LTHE's Construction Services. a Coe3 q tv q st
