

L&T Completes Gasification Plant Project for Linde Engineering, Singapore

Modules weighing 34,000 MT, fabricated by L&T at its Modular Fabrication Facility at Kattupalli, India and shipped to Singapore

Mumbai, Nov 22, 2022: Larsen & Toubro, an Indian multinational engaged in EPC projects, hi-tech manufacturing, and services, has completed the supply of 46 Nos. of Process & Piperack Modules to Linde Engineering, Singapore for a gasification complex. After the commencement of operations, Linde will produce and supply hydrogen and synthesis gas from the plant.

L&T, through its Energy - Hydrocarbon division, with over three decades of rich and extensive
