- x Sometimes, the most meaningful assistance comes from non-monetary contribution - time, skills, and emotional support. Volunteering, for instance, can make a positive impact without spending money.
- x The essence of helping lies in the connections you make and the selfless dedication of your time, energy, and skills.
- x If we look at ourselves candidly, we will realise that most L&T -ites can, with little difficulty, take care of the needs of another family. The best way to identify whom to help is to get in touch with a reputed NGO who will offer the necessary logistics support.
